AFC - NFC PRO BOWL

Postgame Quotes.

AFC DRESSING ROOM

Garro Yepremian, who watched Bob Griese get the AFC into field goal position while nursing an injured left knee with an ice pack, said after the game: "I was hoping I'd get the chance, and once I did I couldn't let them down. I had to come through for them. Yes, there was a lot of pressure, but I felt that Bob could do it just as he did it for us (Miami) all season."

Yepremian said he was injured when his knee buckled while both feet were planted. He had the injured knee X rayed in the locker room after the game. "It's very sore, but I'm an athlete and I can stand pain as much as any athlete."

John Madden, AFC coach, who now has a won one and lost one in Pro Bowl competition said that getting even had been very much on his mind. "Now I am .500," he said, "like Shula," a reference to the Miami coach's Super Bowl record.

"Our defense," said Madden, "was outstanding, and our offense moved the ball, but the turnovers hurt us."

NFC DRESSING ROOM

Coach Tom Landry: "Our defense played well. But they ran the ball well and we didn't. They kept putting it into position for the field goals. That probably was the biggest factor.

"The key series, of course, had to be when we had the ball, second and goal at their one, then get an illegal procedure penalty back to the six and a couple of plays later Gabe (Roman Gabriel) gets hit (by Bethea) and fumbles. We lost 80 yards of field position on three plays. (After Villapiano picked up the Gabriel fumble and ran to the NFC 41, Hubbard ran to the NFC 19 and fumbled and the ball was recovered for the NFC at the NFC 19 by Renfro.)

"I don't know why the ball kept getting away from the players. It may be because we worked in the warmer weather and the combination of moisture and cool air today just made it difficult to handle.

"I want to Hadl on the final series because I thought we needed a change. ~~Sixixix~~ Gabriel was doing all right, but we did not seem to have a consistent rhythm.

"That ball that hit the upright and crossbar sure made a big difference didn't it?" (Landry was referring to Mike-Meyer's missed field goal attempt from the 45 in the third period when the NFC led, 10;9.)

Quarterback Roman Gabriel: "I was hit from behind and he (AFC's Bethea) got his arm around and slapped the ball loose." (on the fumble when the NFC was third and six at the AFC 6.) "The ball was a little hard to handle, yes, but the receivers seemed to be having a lot of difficulty hanging on to it, too."

Free safety Paul Krause: "WE just didn't take advantage of the breaks we got. ~~Therexx~~ They were a different team when Griese came in. He really got their offense moving. Who impressed me? Garo. They didn't get the ball in the end zone except for him, right?"
